Subject: **List of 50 Major Industrial Units in Pakistan.**

The Federation of Pakistan Chambers of Commerce & Industry (FPCCI) wishes to acknowledge the services and contribution of your Association. FPCCI is updating its database. You are therefore requested to kindly provide the list of 50 major industrial units in Pakistan with their total exports and volume, destination of their exports, local production and consumption, volume of turn over, total imports and their origin for our needfulness.

The above details would enable us to compile information on major industrial units of Pakistan. The primary purpose for the compilation of said information is to facilitate the expansion of business for Pakistani companies engaged in exporting and/or importing operations.

The information will be disseminated amongst the interested parties around the globe to facilitate the networking capability of Pakistani exporters and importers in order to generate trade leads. It would serve as a means in publicizing the availability of Pakistani products and services for exports.

An early reply would be highly appreciated.

Thanking you with best regard,

Your's sincerely
