### RE : MANDATORY REGISTRATION OF TEXTILE UNITS WITH MINISTRY OF TEXTILE INDUSTRY

Association Members,

Dear Sirs,

It was decided yesterday in a meeting held in Office of the Ministry of Textile Industry, presided by Federal Minister for Textile Industry Mr.Rana Muhammad Farooq Saeed Khan that all Textile Units operating in the Country are bound to get themselves registered with RDA Cell of Ministry of Textile Industry without any delay and in case of failure from any Textile Unit, it would not be entitled of getting the following incentives and benefits according to Textile Policy:

1. Availing benefits of 2% Duty Drawback incentive from September 01, 2009.
2. Availing benefit of 1% additional Duty Drawback incentive on an increase of 15% in exports over preceding financial year.
3. Balance release of 60% R&D payment.
4. Availing Duty Free import facility on Textile Machinery.
5. Refund of E.O.B.I and S.E.S.S.I paid to Government agencies on behalf of female workers
6. Availing mark-up rate support @ 2.5% on Export Refinance Scheme.

Consequence upon the decision taken by Ministry of Textile Industry, now, it has got mandatory for each Textile Unit to possess permanent Registration Certificate issued by the Ministry of Textile Industry.

As such, we advise our members in their own interest to please fill in form of RDA Cell online and complete it in all respects and leave no column blank otherwise Ministry would reject their forms and in case of twice rejection of their forms, the unit will have to fill in the form afresh and apply again for registration accordingly.

Temporary Registration Certificates issued to units will not be eligible of getting refund claims.

We hope that our members would pay their careful attention in this matter of importance and obtain Registration Certificates for their units as early as possible.

Yours faithfully,

**WAQAR ALAM**  
Chairman
