Subject: **Offices of Pakistani companies in U.S.**

Dear Mr. President / Chairman,

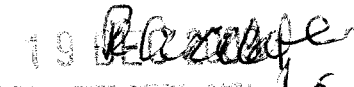

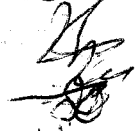

Many Pakistani companies have opened up their offices in different States of U.S. which is an excellent strategy to penetrate into the U.S. market as it gives comfort zone to the importer. In order to keep an update of the Pakistani companies in U.S., to keep liaison with them, to keep them informed about business developments, invite them to the networking gatherings, we need basic contact details such as name of the contact person, name of company in U.S. and in Pakistan, products they are dealing in, address, telephone / mobile number, fax, email, website etc. of such companies. I would appreciate if the above stated information of all such companies is provided at the earliest convenience.

Yours sincerely,
