

Association Members,

RE : REGISTRATION NUMBER OF S.E.S.I

Dear Sirs,

It has been observed that while getting registration with Ministry of Textile Industry for obtaining I.D nd Password for availing incentives, announced by the Government in Textile Policy, Registration Forms of our members are frequently rejected by the Ministry of Textile Industry due to non-availability of their SESSI Registration Numbers.

In order to resolve the issue of our members, TMA is going to invite Commissioner SESSI at TMA Head Office shortly for discussion on the issue. As such, we advise our those members who pay their Social Security contribution on regular basis through covering letter of their letter head but not have SESSI Registration Numbers to furnish detail of their payment so that their Registration Number may be obtained from SESSI.

Please treat this as most urgent so that you may avail Duty Drawback incentives allowed by the Government in Textile Policy.

Thanks with regards,

Yours faithfully,

WAQAR ALAM
Chairman
