Association Members,

RE : REGISTRATION NUMBER OF SESSI

Dear Sir(s),

It is to inform Members of the Association that in case they pay SESSI contribution on behalf of their workers but have not yet been allocated SESSI Registration Number of their organization, they need to fill in **Employer's Registration Card** which is available at TMA Head Office. As such, we request those members having no Registration Number of SESSI to please collect the same from this Office, fill in the card and return us for our onward submission to SESSI. A Member having no SESSI Registration Number needs not to contact SESSI personally. All Registration Certificates would be collected and handed over to Members by this Association.

Please note that it is imperative to get SESSI Registration Number for each Textile Unit at the time of applying for Registration with MINTEX. It is to inform further that those members who already possess Registration Number from SESSI need not apply afresh for this purpose.

Thanks with regards,

Yours faithfully,

ASIF NOMANI
Secretary
