Subject: **BOARD OF INVESTMENT A FACILITATOR FOR INVESTORS**

Excellency,

Please allow me to reiterate that Board of Investment is an apex body of the Federal Government, which works as a facilitator for and on behalf of investors to facilitate foreign, local & overseas Pakistani investors, to promote investment in the country. We at BOI are working on a multipronged strategy, to increase the confidence of an investor and act as a focal point of contact between investors and organizations which investors could encounter. Facilitation is extended to investors at all the stages of the investment cycle, notably through, acting as an intermediary between private investors and concerned authorities.

Moreover we are also actively involved in match making of foreign and domestic joint venture partners; promoting public-private partnerships; networking and coordinating with public authorities and non-governmental organizations in Pakistan with a view to implementing a coherent investment promotion strategy.

In BOI we are continuously working to devise/formulate, road map for promotion of investment in the country, in accordance with the changing world.

In order to facilitate investors/business community facing problem/ hurdles and for speedy materialization of their projects, the undersigned welcome you at BOI and assure to extend support/cooperation to every possible extent.

It is requested that the above message may kindly be circulated to your esteemed affiliates/business community.

Looking forward for an opportunity to work with you and your affiliates.

With best regards,

(Nasreen Ali)
