To: Members of the Association

Sub: Hiemtextil Frankfurt Fair 2008

Dear Member,

As per past practice Messe Frankfurt have allocated 67 square meters of space for the members of this Association in the forthcoming Hiemtextil Fair.

In view of request from members the date for applying for space in the Fair has been extended up to August 30, 2007. Members interested to participate are advised to apply along with a token payment of Rs. 150,000 as security money through pay order or bank draft drawn in favour of Towel manufacturers' Association latest by 30th August 2007. The deposition of money is neither an assurance of their selection on the part of either TMA or Messe Frankfurt nor confirmation of their space booking in the Fair.

In case the number of applicants exceeds the available space, it may become necessary to ballot amongst applicants in the presence of members.

Yours truly,

M. Muzzammil Husain
Chairman
