Subject: Outstanding R&D Support Claims

Dear Member,

The Association is in the process of taking up the matter of R&D Support claims pending with the State Bank for various reasons. The most common reasons are the following:

- Invalid HS Code
- Ineligible Country
- Time Barred
- Other Reason
- Without Reason

Now the State Bank has asked TMA to provide details of its members' pending claims reason-wise. You are therefore requested to list your pending claims for each of the above reason on a separate sheet as per the formats provided.

Please submit to TMA by 30th April 2010.

Yours truly,

Waqar Alam
Chairman
