Subject: Serious Crisis and Lack of Availability of Cotton Yarn

Dear Member,

As you are aware, TMA is continuing to make efforts for easy availability of cotton yarn to all its members. As part of the negotiations, the government has asked us to provide proof of non-availability of yarn. In order to formulate our strategy, we request all our members whose production have been affected due to non-availability of yarn, to please fill up month wise details as per format below:

### Production in Kgs

Month	Year 2008	Year 2009
July		
August		
September		
October		
November		
December		
Month	Year 2009	Year 2010
January		

Some members have also complained that non-availability of yarn has prevented negotiations with foreign buyers. Moreover, in case exporters have been compelled to close down any of their production facilities, they may furnish details to the Association.

Please send the above details to the Association by the 8<sup>th</sup> of February 2010

Yours truly,

Waqar Alam  
Chairman
