Dear Member,

We have approached Sales Tax Enforcement for expediting the pending Sales Tax refund of our members. The Association is in the process of preparing a list of pending refund cases for submission to the Collectorate for early release of refund. If your refund amount is pending, please send details of your case as per the following format:

Name of Exporter-----

Please send the details in the above format to TMA by the 16th January 2010 for inclusion in the list.

Yours truly,

Waqar Alam
