Members of the Association,

RE : ISSUES, IRRITANTS AND PROBLEMS WITH SESSI

Dear Members,

A tripartite joint meeting, on our request, is being held amongst TMA, SESSI and Board of Investment officials at the office of Board of Investment {Sindh} to sort out issues, irritants and problems faced by our member industrialists in regard to SESSI.

As such, we advise our members that those having any problem and issues in respect of SESSI forward the same to us on priority basis so that it can be placed before the SESSI officials for its resolution.

Thanks with regards,

Yours faithfully,

MOIN A. RAZZAK
Chairman
