

DEFYING THE ODDS

The Government of Pakistan,
Standing firm & committed amid
the tough tide of **Covid-19**
during the second year.

- TMA of Pakistan felicitates the PTI government upon completion of its 2nd year.
- We support the government's initiative to bring accountability and visibility in all sectors of the country.
- The Government is requested to initiate policies that will allow manufacturing and exporting industries to flourish. This will include; favorable tariffs, lower taxes & borrowing costs, availability of funds and ease of doing business in the ongoing challenging times.
- TMA hopes that the PTI government will implement its party's manifesto in promoting value-added exports & encouraging competitive import substitution during the ongoing pandemic.
