

Date : 11th Sep 2021

Member of the Association,

**SUBJECT: CLIMATE ACTION TRAINING FOR THE FASHION INDUSTRY - GIZ FABRIC
AND UN FASHION CHARTER**

Dear Sir,

We are pleased to announce the launch of the **online CLIMATE ACTION TRAINING FOR THE FASHION INDUSTRY**, specifically designed for the diffusion of climate action knowledge for textile, garment and footwear suppliers in Asia. The training is jointly developed by **GIZ FABRIC, the UN Fashion Industry Charter of Climate Action** and selected **brands and manufacturers** to provide foundational knowledge on the relevance of decarbonization efforts, on how to account for operational greenhouse gas (GHG) emissions and how to implement concrete solutions in cutting greenhouse gas emissions.

The Climate Action Training is **NOW available in English, Khmer and Mandarin** for **free** on the learning platform www.atingi.org. Please [register first here](#) and click on Climate Action Training [here](#) for English, [here](#) for Khmer and [here](#) for Mandarin. Vietnamese and Bengali will be available by mid of October.

The **5-module training content** covers: 1) Climate action in the industry, 2) GHG emissions, 3) GHG accounting, 4) Target setting and reporting and 5) Energy efficiency and renewable energy solutions. In addition to the self-paced online training, the Climate Action Training can be also delivered by **qualified and local trainers** at own costs for a more guided learning experience.

For more information, please have a look at the promotion [video](#) on the Asia Garment Hub and see the **flyer attached**. For more information you can also contact: Kristin.Sommer@giz.de

We wish you a great learning journey about Climate Action in the fashion industry!
Marc

CLIMATE ACTION TRAINING

SCAN TO REGISTER!

FOR THE FASHION INDUSTRY

NOW AVAILABLE

A web-based training on Climate Action for textile, garment and footwear suppliers in Asia

To join the course

1. Register at the learning platform www.atingi.org
2. Search for 'Climate Action Training' or [click here](#)

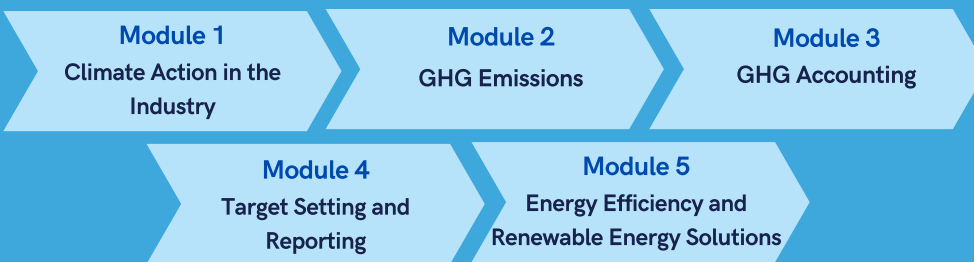

Context

The online Climate Action Training provides foundational knowledge to suppliers to understand global decarbonisation efforts, how to account for their operational greenhouse gas emissions, and how to implement available energy solutions to reduce emissions.

This training is jointly developed by GIZ FABRIC, the UN Fashion Industry Charter for Climate Action and some global brands and manufacturers.

Content

The web-based course consists of 5 main modules and is available in English ([here](#)), Khmer ([here](#)), Mandarin ([here](#)), Bengali(*) and Vietnamese(*).

(*) Will be available by mid of October 2021

Need extra help for more hands-on learning? Hire a trainer!

In addition to the self-paced online course, the Climate Action Training can be also delivered by qualified local trainers at their own costs for a more guided learning experience. Contact us for more information!
